

V10FREE

ALL-IN-ONE BATTERY POWERED SOUND SYSTEM

PROEL V FREE systems gives you the freedom to perform your music or play your sound anywhere, with a superb sound quality and without the hassle of laying down cables or finding a power outlet. V10FREE and V12FREE are battery-powered portable sound systems featuring a powerful 400W amplifier, a built-in 3-channel mixer with effect and tone controls and an advanced MP3 player with BLUETOOTH connectivity, featuring a large back-lit LCD display and able to play songs from SD card, USB MEMORY STICK or directly from your smartphone or tablet.

They includes also two USB inputs for connecting PROEL U24H or U24B 2.4GHz Wireless Microphones with USB receiver, available both with handheld and bodypack transmitter. Just plug in the ultra-compact USB receiver and you can instantly use a professional wireless system, offering a high-definition, interference-free transmission thanks to the 2.4GHz technology.

The the premium loudspeakers, the Class D power amplifier and the sophisticated processing provide a superb sound quality, while the built-in Li-ion battery allows for up to 10 hours of mains-free continuous operation, for the maximum freedom of use.

Both these ultra-portable and light-weight systems (10kg and 11kg respectively) can be installed on standard speaker poles and the V12FREE is fitted with a luggage-style extra handle and two wheels. Incredibly simple to set-up and use, V FREE loudspeakers are perfect for a wide range of applications, including parties, schools, corporate and educational presentations, seminars, gym, weddings, live music and even DJ sets.
